

Nokia 2.1

Long-lasting entertainment

Colours:

Blue / Copper, Blue / Silver, Grey / Silver

Key features

- Delivering a 2-day battery life and powerful performance on a bigger screen, the Nokia 2.1 is all you need to carry for both work and play. It charges faster than its predecessor meaning it's ready to go when you are.
- Its large 5.5-inch HD screen is bigger than the previous generation so you captivate yourself or share the entertainment with friends.
- 4000mAh battery works with the optimised hardware and software to power everything from conference calls to your favourite TV shows - with a promise of 2-day battery life⁴ and 10W charging for faster top-ups.
- 50% more processing power for effortless switching between apps with Qualcomm™ Snapdragon® 425 Mobile Platform.
- 8MP auto-focus rear camera with flash and 5MP front-facing camera capture the moment from both sides.
- Stand out from the crowd with sophisticated Nordic design with metallic accents and three colour combinations.
- Full access to the Google Play store and all the core smartphone apps, e.g. Google Maps, WhatsApp and Facebook, with new range of optimised Go apps designed to run faster and consume less data.
- Pure, secure and up-to-date. No skins and no UI changes with Android 8.1 Oreo™ (Go edition).

Operating times

- Standby time: up to 39 days
- Talk time: up to 19 hours
- MP3 playback: up to 128 hours
- Video playback: up to 12 hours
