

Nokia 1.3

Modern tech and a faster, more secure experience with Android™ 10 (Go edition)

Colours:
Charcoal, Cyan, Sand

Key features

Bigger. Brighter. Bolder.

Beautiful 5.71" HD+ edge-to-edge screen with 19:9 aspect ratio and a notch design. See it all with 400 nits brightness, delivering a visual experience that's even better in brighter conditions.

Powered to perform.

The Nokia 1.3 has the speed you need and the power to go even further in your day thanks to the optimised Qualcomm® 215 Mobile Platform.

Light up the night.

Take beautiful photos – even in darker conditions with low-light imaging; capture bright and detailed pictures with AI powered imaging. Capture events as they happen with faster shot-to-shot times thanks to streamlined Google Camera Go. Plus make your photos more shareable and find the picture you're looking for easily, even when offline, with light Gallery Go and one-tap editing.

Charged all day. Every day.

Do more in a day with Nokia 1.3. The 3000mAh¹ battery keeps you charged from sunup to sundown.²

The fastest way to your Google Assistant.

The Google Assistant button³ gives you a little help wherever you go. With the Google Assistant Button – ask questions, see your schedule and even dim the lights.

Ready. Set. Android Go.

One of the first devices to launch with Android 10 (Go edition), Nokia 1.3 benefits from more speed, more security and millions of apps to get your day going with Android 10 (Go edition).
