## Key features

### Quad camera with innovative AI imaging to capture it all.

Discover new ways to capture moments – Nokia 5.3 features an innovative quad camera setup, delivering stunning photography.

Capture the perfect shot no matter where you are, day or night, near or far - the quad camera gives you the right tool for the right moment.

Get that winning shot in low light with Night mode. Plus capture stellar images that truly pop in Portrait mode with enhanced bokeh effects combined with the depth sensor.

### Big screen to see it all.

A big screen that still fits comfortably in your hand - the huge 6.55" screen transports you into another world – whether it's gaming or streaming.

### Do more. Charge less.

Do more in a day – or two – with our signature two days of battery life you can stream your favourite shows and play games without worrying your phone battery won't last.

### Built for speed. Refined for play.

Get silky smooth graphics and game more, thanks to the powerful Qualcomm® platform – the first Nokia smartphone to debut the Qualcomm® Snapdragon™ 665 Mobile Platform.

### Ready for Android 11 and beyond.

Pure Android delivers a software experience with a streamlined interface and no bloatware. Plus, with regular security updates and software upgrades, your Nokia 5.3 will just keep getting better.

### Nordic inspired design.

Nokia 5.3 has an elegant 2.5D glass front and a scratch-resistant composite back for extended durability. Choose from 3 striking Nordic-inspired colours – Cyan, Sand and Charcoal.
