

Nokia G20

Tell your story without stopping.

Colours:

Night

Glacier

Key features:

With its 48MP quad camera, powerful AI imaging modes and OZO audio, it's never been easier to capture everything you're seeing and hearing. Powered by a battery that goes up to three days¹ between charges. This is a phone you can trust to keep all your great work safe and secure.

A creative studio you can fit in your pocket.

Every day has a unique story, waiting to be told. And with the 48MP quad camera with wide-angle and macro lens, powerful AI imaging modes and OZO Audio, you'll tell yours with epic sight and sound.

Our longest lasting battery.

Our longest lasting smartphone battery yet can go up to three-days¹ between charges.

Beautiful to look at. Brilliant to use.

Nordic design and elegantly simple functionality wrapped inside a lightweight, slimline, durable casing.

See everything more clearly.

A big screen is a must when you're checking documents, making last minute amends, or editing on the go. The screen on Nokia G20 comes with a brightness boost, so you won't miss a thing even in brighter daylight.

Unlock with a touch. Or a look.

With our side fingerprint sensor and face unlock, only your face and fingerprint can access your phone.

Security that keeps getting safer.

With regular monthly security updates for three years, your files, videos, photos and data are always in the safest of hands.

Software that keeps getting better.

With Android™ 11 you can respond to and control your conversations across multiple messaging apps, all in the same spot. Plus, with two years of future updates promised, you'll always get the latest features.

Nokia G20 sales package includes:

- Nokia G20
- USB Type-C cable
- 10W wall charger
- "Quick Start" guide
- SIM pin
- Screen protector
- Headset (select markets)
