Key features:

Nothing should get in the way of you living life your way – so you need earbuds that let you do you. To be in control, with the simple tap of a finger. To stay charged up all day, no matter where you are and to be able to listen to every beat of every single song you love. Make your morning jog, your commute or your office yours and yours alone with Nokia Lite Earbuds.

The beat goes on.

With up to six hours of play time¹ with one charge, and up to 36 hours with the charging case, you can smash through your work at home or in the office, then save some time for you too.

Live louder.

We know you don't like to miss a thing and that's no different when it comes to music. Hear songs in all their glory with your Nokia Lite Earbuds. Studio-like sound quality means you'll be treated to a premium listening experience – at a not so premium price.

Big on sound. Big on style.

With the most premium design, in two timeless colors you can be sure to rock your own look. As well as classic Charcoal, we'd like to introduce a new and unique color inspired by the arctic – Polar Sea .

Easy listening.

Wear both your earbuds to zone out, or wear just one for true flexibility. Add on easy-to-learn touch controls and universal Bluetooth® 5.0 connectivity for easy listening.
