Key features:

The new Nokia 6310 takes the iconic silhouette of the original and brings it up to date. With some great new additions such as a large curved screen which improves accessibility. As well as a host of classic features you know and love – a wireless FM radio, an impressive battery that can go weeks between charges and let's not forget the classic Snake. All of these features are built into a tough shell so that it can take life's bumps. Nokia 6310 is the familiar phone, for the modern world.

LOVE IT

A modern classic reimagined.

The new Nokia 6310 has been reimagined for 2021, with bigger buttons and a 2.8" curved window screen.

It's all fun & games.

Not just a phone that helps you connect, Nokia 6310 helps you unwind. It comes with the classic Snake game, as well as a Wireless FM radio, so you can enjoy music, catch up on the news, or listen to sports.

TRUST IT

Familiar and easy to use.

The days of squinting at your phone are over – Nokia 6310 comes with new zoomed in menus and larger font options to provide even better readability. For slightly older users, accessibility mode can automatically configure to one a icon view, increase the font size further and increase the volume to maximum.

Go weeks between charges.

A truly dependable phone, thanks to a battery that can go weeks between charges. Put it in your car, leave it in your bag or a drawer, and when you need it, it'll be there waiting for you to use.

KEEP IT

Shine on.

This one's a keeper. Trust in the sturdy polycarbonate shell when you're out and about.
