<sup>1</sup>From the global product launch. <sup>2</sup>Nokia C21 Plus delivers up to 2-day or up to 3-day battery life depending on battery size based on our real-life usage test. More info at <https://www.nokia.com/phones/nokia-C21plus>. Actual results may vary due to changes in connectivity, environmental conditions, or other variables. <sup>3</sup>All specifications, features and other product information provided are subject to change without notice. <sup>4</sup>Pre-installed system software and apps use a significant part of memory space.

<sup>5</sup>Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.
