

Nokia C22

Endurance for longer journeys.

Colours:

Sand

Midnight Black

Key features:

A three-day battery life¹ means you can go on for longer without worrying about charging. The streamlined Android 13™ (Go edition) comes with less bloatware making your mobile data plan go further.

Up to three days¹ on a single charge.

Big 5000mAh battery with latest battery saving features and streamlined software lets you go on for longer without worrying about battery.

A strong design, rigorously tested to last.

Better durability against accidental drops thanks to a strong polycarbonate unibody design that's gone through rigorous durability testing. IP52-rated protection against dust and spills and a toughened 2.5D glass front keep it safe from scuffs and scrapes.²

Capture incredible memories with crisp detail in any light.

Powerful Night and Portrait modes deliver stunning shots day and night on both the 13 MP dual rear and 8 MP front cameras.

Latest features for smooth performance

Powered by an octa-core chipset and packed with performance-optimising features like Auto Clean, One Press, and Excluded Apps help your phone run faster by prioritising apps you use most. Memory extension³ turns unused storage space into additional 2GB of short-term memory (RAM), making multitasking smooth.³

Sales package includes:

- Nokia C22 device
- Wall charger
- USB type-C cable
- Quick start guide

Key specifications⁴:

Network speed:	4G LTE Cat4
OS:	Android 13™ (Go edition)
Platform:	Octa-core up to 1.6 GHz
Memory and storage:	2 / 3 GB RAM (LPDDR4X) Memory extension for 2 GB of Virtual RAM 64 GB ROM, support up to 256 GB MicroSD card ⁵
Display:	6.5" HD+ display with selfie notch 2.5D toughened cover glass
Camera and flash:	13 MP AF main rear camera + 2 MP macro Led flash 8 MP FF front camera Night mode, Portrait mode, Auto HDR
Connectivity and sensors:	802.11 b/g/n Bluetooth 5.2 GPS/AGPS/Galileo Ambient light sensor Proximity sensor Accelerometer USB type-C 3.5mm audio jack
Battery and charging:	Non-removable 5000 mAh ⁶ 10W (5V2A) charging Battery Saver
Security:	Rear fingerprint sensor Face unlock with mask 2 years of quarterly security updates ⁷
Dimensions:	164.6mm x 75.89mm x 8.55mm Weight 190.0g
Card slots:	Nano SIM slot (+ Nano Sim Slot in DS) + MicroSD slot
Other:	IP52 ingress protection FM radio (wired/wireless)

¹ Based on real life usage test by HMD Global. ² Based on results from 3rd party guided free fall testing (IEC 60068-2-31) against top selling models in IDC 4Q21 75 – 125 \$ price band. Protected against dust limited ingress, no harmful deposits, and against direct sprays of water up to 15 degrees from the vertical. ³ Using memory extension (virtual RAM) requires enough storage space. To protect the storage, memory extension is automatically and permanently disabled once 90% of the usage limit is reached. This can occur after four years of heavy usage.⁴ All specifications, features and other product information provided are subject to change without notice. ⁵ Pre-installed system software and apps use a significant part of memory space. MicroSD card sold separately. ⁶ Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced. Actual results may vary due to changes in connectivity, environmental conditions, or other variables. ⁷ From global launch date of Nokia C22.
